5. Requests for admission outside the normal age group	3
6. Allocation of places	4
7. In-year admissions	5
8. Appeals	5
9. Monitoring arrangements	6

1. Aims

This policy aims to:

- Explain **how to apply** for a place at the school
- Set out the school's **arrangements for allocating places to the pupils** who apply
- Explain **how to appeal** against a decision not to offer your child a place

2. Legislation and statutory requirements

This policy is based on the following advice from the Department for Education (DfE):

- [School Admissions Code](#)
- [School Admission Appeals Code](#)

The school is required to comply with these codes, and with the law relating to admissions as set out in the [School Standards and Framework Act 1998](#).

3. Definitions

The **normal admissions round** is the period during which parents can apply for state-funded school places at the school's normal point of entry, using the common application form provided by their home local authority.

Looked after children are children who, at the time of making an application to a school, are:

The Leys Primary & Nursery School

Learning Today ...Leading Tomorrow

In the care of a local authority, or

Being provided with accommodation by a local authority in exercise of its social services functions

Previously looked after children are children who were looked after, but ceased to be so because they:

Were adopted under the Adoption Act 1976 or the Adoption and Children Act 2002, or

Became subject to a child arrangements order, or

Became subject to a special guardianship order

A child reaches **compulsory school age** on the prescribed day following his or her fifth birthday (or on his or her fifth birthday if it falls on a prescribed day). The prescribed days are 31 December, 31 March and 31 August.

4. How to apply

• Admissions to The Leys Primary School (mainstream provision)

For applications in the normal admissions round you should use the application form provided by Hertfordshire County Council. You can use this form to express your preference for a minimum of 3 state-funded schools, in rank order. Please use the link:

<https://www.hertfordshire.gov.uk/services/Schools-and-education/Schools-and-education.aspx>

You will receive an offer for a school place directly from your local authority.

Please note: pupils already attending our nursery will not transfer automatically into the main school. A separate application must be made for a place in reception.

• Admissions to The Leys Nursery school

Parents and carers need to apply to the school using our Nursery Application form. This can be downloaded from our website, sent by email, or collected from our school office. **An admissions waiting list is kept of all interested families.**

Our main intake is in September, In the event that our nursery is not full we can take children for a January or April start if this is the term after they turn the aged of 3.

The nursery admissions criteria in the event of oversubscription (more children wanting places than we are able to accommodate) will be the following.

- Children with an EHC (Education, Health and Care) Plan that names the school.
- Children looked after and children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or a special guardianship order).

The Leys Primary & Nursery School

Learning Today ...Leading Tomorrow

- Children for whom it can be demonstrated that they have a particular medical or social need to attend the nursery class at the Leys.
- Children who have a sibling at the school at the time of application.
- Children who live closest to the school.

5. Requests for admission outside the normal age group

Parents are entitled to request a place for their child outside of their normal age group.

Decisions on requests for admission outside the normal age group will be made on the basis of the circumstances of each case and in the best interests of the child concerned. In accordance with the School Admissions Code, this will include taking account of:

- Parents' views
- Information about the child's academic, social and emotional development
- Where relevant, their medical history and the views of a medical professional
- Whether they have previously been educated out of their normal age group
- Whether they may naturally have fallen into a lower age group if it were not for being born prematurely
- The headteacher's views

Wherever possible, requests for admission outside a child's normal age group will be processed as part of the main admissions round. They will be considered on the basis of the admission arrangements laid out in this policy, including the oversubscription criteria listed in section 6. Applications will not be treated as a lower priority if parents have made a request for a child to be admitted outside the normal age group.

Parents will always be informed of the reasons for any decision on the year group a child should be admitted to. Parents do not have a right to appeal if they are offered a place at the school but it is not in their preferred age group.

6. Allocation of places

6.1 Admission number

The school has an agreed admission number of 60 pupils for entry in Reception.

6.2 Oversubscription criteria

All children whose statement of special educational needs (SEN) or education, health and care (EHC) plan names the school will be admitted before any other places are allocated.

If the school is not oversubscribed, all applicants will be offered a place.

In the event that the school receives more applications than the number of places it has available, places will be given to those children who meet any of the criteria set out below, in order until all places are filled.

Over-subscription criteria

- Children with an EHC (Education, Health and Care) Plan that names the school.

The Leys Primary & Nursery School

Learning Today ...Leading Tomorrow

- Children looked after and children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or a special guardianship order).
- Children for whom it can be demonstrated that they have a particular medical or social need to attend the Leys Primary School.
- Children who have a sibling at the school at the time of application.
- Children who live closest to the school.

6.3 Tie break

In the case of 2 or more applications that cannot be separated by the oversubscription criteria outlined above, the school will use the distance between the school and a child's home as a tie breaker to decide between applicants. Priority will be given to children who live closest to the school. Distance will be measured in a straight line from the child's home address to the school's front gates on Ripon road. A child's home address will be considered to be where he/she is resident for the majority of nights in a normal school week.

Where the distance between 2 children's homes and the school is the same, random allocation will be used to decide between them. This process will be independently verified.

7. In-year admissions

You can apply for a place for your child at any time outside the normal admissions round. As is the case in the normal admissions round, all children whose statement of SEN or EHC plan names the school as a suitable placement as part of the review process.

Likewise, if there are spaces available in the year group you are applying for, your child will always be offered a place.

If there are no spaces available at the time of your application, your child's name will be added to a waiting list for the relevant year group. When a space becomes available it will be filled by one of the pupils on the waiting list in accordance with the oversubscription criteria listed in section 6.3 of this policy. Priority will not be given to children on the basis that they have been on the waiting list the longest.

Applications for in-year admissions please use the following link:

<https://www.hertfordshire.gov.uk/services/Schools-and-education/Schools-and-education.aspx>

8. Appeals

If your child's application for a place at the school is unsuccessful, you will be informed why admission was refused and given information about the process for hearing appeals by Hertfordshire County Council. If you wish to appeal, you must use the HCC appeals system where you will find details of the appeals timetable.

The school has the right to counter any appeal under the as set out on the School Admissions Appeal Code under the following guidelines:

- Consideration of Prejudice

The panel must consider the impact on the school of admitting additional children. In reaching a decision as to whether or not there would be prejudice the panel may consider the following factors:

- a) what effect an additional admission would have on the school in the current and following academic years as the year group moves through the school;
- b) whether any changes have been made to the school's physical accommodation or organisation since an admission number was originally set for the relevant year group;
- c) the impact of the locally agreed Fair Access Protocol¹³;
- d) the impact on the organisation and size of classes, the availability of teaching staff, and the effect on children already at the school.

The school would, in this case, submit an appeals statement, including details about the school as relevant to the appeal.

9. Monitoring arrangements

This policy will be reviewed and approved by the governing body every year.

Whenever changes to admission arrangements are proposed (except where the change is an increase to the agreed admission number), the governing body will publicly consult on these changes.
