WELLBEING

This week it has been Mental Health Awareness week and the theme has been **communities**. Being part of a safe, positive community is vital for our mental health and wellbeing. We thrive when we have strong connections with other people and supportive communities that remind us we are not alone. Communities can provide a sense of belonging, safety, support in hard times, and give us a sense of purpose.

It's Walk to School Week

WALK TO SCHOOL WEEK - 19th - 23rd May 2025

We all know the health benefits of walking so please help us this week to reduce congestion by supporting children in being more active and help reduce lower carbon emissions during this Walk to School Week.

We would like to encourage all our pupils to try and walk, cycle or scoot to school during this week. If it's not possible to walk all the way, then it would be great if you could park 10 minutes away from school and walk or scoot the last part of your journey.
