## 1.1 Definition of social media

For the purposes of this document, 'social media' is considered to include all technologies that allow individuals to communicate and share information (including photos and video). This includes group messaging services such as WhatsApp.

## 2. Use of official school social media

The school's official social media channels are as follows:

The Leys Primary and Nursery School Facebook Page

Add any other school social media channels

These accounts are managed by SLT. Staff members who have not been authorised by SLT to manage, or post to, the account, must not access, or attempt to access, these accounts.

If you have suggestions for something you'd like to appear on our school social media channel(s), please speak to any member of SLT.

- Comments we consider to be spam
- Personal information, such as telephone numbers, address details, etc.
- Posts that advertise commercial activity or **ask for donations**

Every reasonable effort will be taken to politely address concerns or behaviour of individual users, following the school's complaints policy. If users are repeatedly abusive or inappropriate, they will be blocked.

Staff responsible for our social media accounts will also ensure that all content shared on social media platforms is age appropriate for the school community.
