Learning Today . . . Leading Tomorrow

Monday 15th April 2024

Dear Parent/Carers,

It is with great pleasure that we can now inform you of the results of our recent Ofsted Inspection which took place on 5th & 6th March 2023.

First and foremost, I want to say a big thank you to our pupils, families, and staff for all the hard work and support you have given us over the last three years in helping to create a school of which we are proud. Rightly, the Inspectors recognised the contribution of our dedicated, passionate and hardworking staff in ensuring that pupils achieve well.

The inspectors that visited our School carried out their inspection over the two days, which included deep dives into various subjects, lesson visits, discussions with staff/pupils, meetings with school leaders and scrutiny of work undertaken by children. They met with the headteacher, senior leaders, subject leaders, members of the governing body, and other external agents, spoke with parents, and reviewed documentation provided by the School. More of what inspectors looked at can be found within the official report (see attached).

The inspectors concluded that The Leys Nursery & Primary School is **GOOD** in all areas (Quality of Education, Behaviour and Attitudes, Personal Development, Leadership and Management and Early Years Provision), resulting in an Overall Effectiveness of **GOOD** for the School.

The Board of Governors consider this an excellent achievement for the School and is exceptionally proud of all Staff and Pupils for their efforts during this inspection, the time leading up to the inspection, and the ongoing performance of the School.

It is worth recognising that the report is extremely positive, and although there is one area highlighted for improvement, School Leaders have already identified (and have been working to improve these areas) which clearly demonstrates the strong leadership of the School, who are committed to implement and review strategies which will deal with the areas raised by the Ofsted inspection.

As ever, The Leys has a culture of celebrating success and we would ask that you share any positive encouragement with the staff, as you feel is appropriate.

Yours sincerely

D Khangura
Headteacher
Mrs. D Khangura

M. Stone
Chair of Governors
