## School Policy for the Education of Children Looked After (CLA) 2020-21

Designated Teachers: Davinder Khangura

Designated Governor: Phil Bibby

Nationally, Looked After Children significantly underachieve and are at greater risk of exclusion, compared with their peers. Schools have a major part to play in ensuring that Looked After Children are enabled to be healthy, stay safe, enjoy, achieve, make a positive contribution to society and achieve economic well-being.

The Leys School believes that in partnership with Hertfordshire County Council as Corporate Parents we have a special duty to safeguard and promote the education of Children Looked After.

### **Who are Children Looked After?**

Under the Children Act 1989, a child is looked after by a local authority if he or she is in their care or provided with accommodation for more than 24 hours by the authority. They fall into four main groups:

- children who are accommodated under a voluntary agreement with their parents (section 20)
- children who are the subjects of a care order (section 31) or interim care order (section 38)
- children who are the subjects of emergency orders for their protection (sections 44 and 46)
- children who are compulsorily accommodated – this includes children remanded to the local authority or subject to a criminal justice supervision order with a residence requirement (section 21).

The term 'in care' refers only to children who are subject to a care order by the courts under section 31 of the Children Act 1989 - they may live with foster carers, in a Children's home, in a residential school, with relatives or with parents under supervision. Children who are cared for on a voluntary basis are 'accommodated' by the local authority under section 20 of the Children Act – they may live in foster care, in a Children's home or in a residential school. All these groups are said to be 'Looked After Children' -CLA. They may be looked after by our local authority or may be in the care of another authority but living in ours.

CLA reviews, involving the school, will take place up until an adoption order has been granted. However Pupil Premium Plus funding will continue for CLA until they are 16 years old.

## **AIMS**

1. To provide a safe and secure environment, where education is valued and there is a belief in the abilities and potential of all children.
2. To support our looked after children and give them access to every opportunity to achieve their potential, enjoy learning and take as full a part as possible in all school activities.
3. To ensure that school policies and procedures are followed for CLA as for all children.
4. To work with the Virtual School and ensure that carers and social workers of CLA pupils are kept fully informed of their child's progress and attainment.
5. To fulfil our schools' role as corporate parents to promote and support the education of our Children Looked After, by asking the question, '**Would this be good enough for my child?**'

Our school's approach to supporting the educational achievement of Children Looked After is based on the following principles:

- Prioritising education
- Promoting attendance
- Targeting support
- Having high expectations and raising aspiration
- Promoting inclusion
- Achieving stability and continuity
- Early intervention and priority action
- Listening to children
- Promoting health and well-being

## **IN PURSUIT OF THIS POLICY WE WILL**

- Nominate a school governor to ensure that the needs of Children Looked After in the school are taken into account at a school management level and to support the Designated Teacher.
- Support the Designated teacher in carrying out their role by making time available and ensuring that they attend training on Children Looked After.

## **The role and responsibilities of the designated teacher for Children looked**

### **after teacher (DT)**

The role became statutory in September 2009 under the Children and Young Persons' Act 2008 (the 2008 Act).

The designated teacher must be a qualified teacher or a member of staff who is likely to gain QTS by September 2014.

Ideally, s/he should be a senior member of staff who has enough status and experience to advise and provide training to school staff on issues relating to CLA. They need to be able to influence decisions about the teaching and learning of these children.

- Liaising with the Virtual School in all aspects of the CLA progress and support. • Convening urgent multi-agency meetings if a CLA is experiencing difficulties or is at risk of exclusion.
- Arranging for a mentor or key worker to whom the young person can talk to. Arranging for the CLA to be supported by its peers.
- Producing **at least one** annual report\* to the governing body which should include: current progress, attendance and exclusions (if any), any concerns regarding behaviour, how the PEP has been implemented and whether the actions put in place are effective in addressing the learning needs of CLA, how the DesT works in partnership with the LA, training undertaken for carrying out the role effectively. The report must not mention the children's names for confidentiality reasons.

### **The role and responsibility of the governing body**

- Support the local authority in its statutory duty to promote the educational achievement of children looked after.
- Ensure that the DT is given the appropriate level of support in order to fulfil their role.
- In partnership with the head teacher, ensure that, through their training and development, the DT has the opportunity to acquire and keep up-to-date the necessary skills, knowledge and training to understand the response to the specific teaching and learning needs of CLA.
  - Governing bodies and the SLT should make sure that the DT role contributes to the deeper understanding of everyone in the school who is likely to be involved in supporting CLA to achieve.
- The governing body, in partnership with the head teacher, is responsible for monitoring how well the role is working. As part of this monitoring an annual report will be received from the DT.

This policy links with a number of other school policies and it is important that Governors have regard to the needs of Children Looked After when reviewing them:

- The school code of conduct
- Behaviour Policy
- Anti-bullying Policy
- Home-school agreement
- Equal Opportunities Policy
- Racial Policy
