Orienteering

Many classes around the school have been making the most of and enjoying the orienteering activity around the school grounds. The plaques used have numbers, digits and animals on them which allow for many different tasks and challenges to be completed using them. Children can practice phonics, spelling, maths and geography skills such as direction and location when taking part in orienteering. In year 5 recently, the children were revising their knowledge of direction (north, east, south and west), looking for objects beginning with the letters on each plaque based on the direction they were standing.

It is great to see the children get involved in such a fun activity where they can expand their learning in an active way!

CLASS OF THE WEEK

Murphy Class

This week Murphy class really enjoyed meeting the man from The Dogs Trust. They really enjoyed learning about the 5 rules for how to keep dogs happy. After the assembly the children really enjoyed talking about what they would change about the way they approach dogs because of what they learnt.

Class: Waddell
Pupil: Ronnie

This week in Year 1 we have been looking at Fact Files. Ronnie has written a great Fact File all about Giraffes as our current book focus is Zeraffa Giraffa. Ronnie is trying hard to make sure his letters are the correct way round and that he is using finger spaces.

Ronnie's writing:

Habitat

Giraffes live in Africa and Greenland.

Appearance

Giraffes have blavk spots and they are yellow. They are long and big.

Diet

They have to eat leaves.

Spiritual, Moral, Social, Cultural and British Values

This week we have been lucky enough to have The Dogs Trust come in to visit most classes. Children have learnt about how to stay safe around dogs, including what to do if you feel uncomfortable around a dog.

We have looked at the differences between dogs and humans; we were fascinated to see the world through a dogs' blurry eyes!

Taking Notice is about being in the moment. Not being lost in our own thoughts. Sometimes we are so busy making plans, going from task-to-task, going from one place to the next and pushing forwards that we don't take time to reflect and take notice of the world around us. At other times, we may find that we aren't very busy in the same way - but are occupying our minds with 'doing nothing' and find ourselves worrying about the future and being bogged down with unhealthy thoughts and negative feelings. In both cases, we can find ourselves not taking the time to pay attention to the present moment - the here and now. By taking notice and being in the present, we can improve our mental health and sense of wellbeing. Some ideas to try and be more aware

- Walk around your neighbourhood.

(You are not merely trying to get from A to B. You are walking 'on purpose'.)

- Try to see things with 'new eyes'.
- Look for beauty in the unexpected: look out for colours, textures, shapes, reflections in water, shadows. Look down, look up, and look along.
- Get creative and take pictures with a camera! Focus on capturing what's before you.

The Leys Have Talent

Year 5 has Talent!

Many children in year 5 have created **OUTSTANDING** Ancient Greek models. These children went beyond expectation and designed some of the most wonderful, creative projects. The skill, dedication and resilience needed to create some of

these sculptures highlights the high ability and talent of many of our Year 5 pupils. Well Done Y5! You should all be extremely proud!

Family Friday sessions **Summer Term 2022** **8.45am to 9.15am**

We will be running a number of 'Family Friday sessions for each year group, combining both Stay & Share with Family Reading -allowing the opportunity for parents/carers to view their child's work in their classrooms. Please arrive at 8.45am and enter via your child's classroom with their child.
