Bicycle Safety Course

Look! One of Rudolph's friends visited our school on his way to the North Pole?????

This week we carried out an experiment to see how much plastic we could collect in a week. It wasn't surprising that we collected a whole bin of plastic!!!! We will continue to recycle: plastic, tins, tin foil, cardboard and paper. Our ESG group are now looking at ways we can encourage pupils to WALK TO SCHOOL to reduce carbon emissions!!! Watch this space!!!!!!

Nursery Admissions.

The current round is for parents and carers of children born between the 1st September 2016 and the 31st August 2017. Parents will be allocated either a morning session: 8.45 a.m.-11.45a.m. or an afternoon session: 12.30p.m. – 3.30p.m. Parents have the option to request 30 hours Childcare provision through our setting. We also work alongside Pilgrims Way Playgroup to share the provision. We hold tours for parents and carers in the Spring term. Please contact the school to book a place. Applications are made directly to the school from now up to the 13th March 2020. Please contact the school office if you need an application form.

KS1 Balance Festival

Yesterday 4 Year 2 pupils were lucky enough to attend an event at Barnwell Leisure Centre. They had to opportunity to show off their skills: running, long jumping, javelin throw, and relay. Well done!!!!

Writer of the Week— Holly P in Ahlberg Class

Mary and Joseph went on a trip to Bethlehem. It took a long time to get there, I think it took 7 days. They went there to get counted because the Romans said they had to. When they got to Bethlehem, they had nowhere to stay. They asked an innkeeper if they could stay at his house but he was full so he let them stay in his stable.

Mary said, "Ok."

Mary was working in her nice little house when suddenly an angel called Gabriel appeared and told her she was going to have a baby and she had to call him Jesus.

When they got to Bethlehem, they had nowhere to stay. They asked an innkeeper if they could stay at his house but he was full so he let them stay in his stable

CLASS OF THE WEEK—Sendak

As a FANTASTIC finish to our science topic on animals including humans today we explored sardines. We looked at their physical features and answered the question "Does a fish have a tongue?" Firstly the children drew their own idea about what a fish looked like. Then they looked at real fish, touching them and investigating all the different parts. After the investigation they drew a new more accurate representation.

We had so much FUN today exploring sardines.
